Miss you Eve, miss you Eve,
 Miss you Eve, my time to grieve
 Near two bridges, flow blue waters
 and a river that runs, endless miles
 and we crossed them, together
 but without you I feel,
 my faith is on trial

Our forever, was only a while
 Love forever, lasts only a while

Miss you Eve, as these ships pass and leave
 Miss you Eve, as these waves crash and grieve
 Near two bridges, flow blue waters
 And a river that runs, endless miles
 And we crossed them, together
 But without you I feel,
 My faith is on trial

Our forever, was only a while
 Love forever, lasts only a while
