 pale, and grown so frail.
 pale, and grown so frail.

Night under the stars, night under the stars
 Far away from city lights, bright are the stars
 Let's fly away together, on a comet's tail
 You and I will see beyond,
 a world that's turned so pale... and grown so frail.

Night under the stars, night under the stars
 Far away from city lights, bright are the stars
 Let's dream of other worlds, for us to unveil
 You and I, we'll leave behind,
 a world that's turned so pale... and grown so frail.
